

NATIONAL BANK STRUCTURED PRODUCTS

have won both the *Best Performance in Canada* and the *Best Performance – Notes* awards at the *Structured Products Americas Awards 2012*.

WINNER **Best Performance | Canada**
The Americas
Structured Products
Awards 2012

Organized by *StructuredRetailProducts.com*, this event recognizes excellence in the North American structured products industry.

Those recognitions show National Bank's ability to:

- > demonstrate creativity and integrity in engineering and distributing structured products
- > consistently engineer products that perform well in diverse market conditions
- > innovate in anticipation of changing client needs

“We are very proud to be recognized specifically for the performance of our products.”
