

National Bank Once Again Rewarded for its Structured Products

Montreal, June 27, 2017 – For a fourth year, National Bank won in the *Best Product Performance in Canada* category for its notes and market-linked GICs at the 6th Annual Americas Wealth Management & Derivatives Conference 2017, held in Boston on June 15.

Highlights

- Created in 2012, the SRP Americas awards are based on an analysis of the largest structured product database as well as the industry's most extensive survey.
- The winners were selected based on the measurable performance of their products.

Quotes

"We congratulate National Bank – they have shown remarkable consistency in winning this award, once again. It highlights a tenacious commitment to product design and to client satisfaction since good returns make for a happy long-term relationship and SRP very much believes in rewarding such sustained success as it is so hard to achieve", said **Jan Scibor-Kaminski, Managing Director – SRP**.

"National Bank is proud to win such a prestigious award for a fourth year. This honor encourages us to stay ahead of changing customer needs and to offer innovative investment solutions," mentioned **Vincent Marquis, Managing Director – Structured Solutions Group at National Bank**.
